

VAT Declaration Form

What you need to do

A VAT declaration form must be submitted for each site/premises that qualifies for VAT relief.

This declaration should be completed in full and returned no later than 10 working days after your site start date. If we are not informed of any VAT relief, then sites will be charged at the full rate. If you are a registered charity, please ensure you include your registered charity number and confirm that you do not conduct business activities.**

Please complete this form and email it to customerdata@engie.com or post to the address at the bottom of this form. We will contact you if further information is needed or the form has been completed incorrectly. If this happens, there may be a delay in the relief being added to your invoices.

*Please note these are mandatory fields

*Fuel	*Nature of Business (including registered charity number)
<input type="checkbox"/> Electricity <input type="checkbox"/> Gas	
*Site Name	*Company Name
