

VAT Declaration Form (Gas)

What you need to do

A VAT declaration form must be submitted for each site/premises that qualifies for VAT relief.

This declaration should be completed in full and returned no later than 10 working days after your site start date. If we are not informed of any VAT relief, then sites will be charged at the full rate. If you are a registered charity, please ensure you include your registered charity number.

Please either return the completed form by post to the address, or fax it to the number, shown at the bottom of this declaration or alternatively you can email customerdata@engie.com.
